BSc (Hons) Business Computing and Information Systems

About the University

The University of Central Lancashire (UCLan) is based in Preston, in the north west of the UK. In addition to main city centre campus, it has facilities in Burnley, Westlakes in Cumbria and Llangollen Outdoor Centre in North Wales. 24,000 students from 100 different countries are enrolled, making it one of the largest student bodies in the country.

With a world class academic reputation firmly rooted in relevance, UCLan is focused on a future of providing innovative thinking. UCLan became the first modern university to be named in the QS World Rankings, and has over 400 undergraduate and 200 postgraduate courses available.

Whoever you are and whatever you want from life, this is a place where you can make your goals happen. Take your opportunity with a degree from the University of Central Lancashire and find out more about why you belong with us.

About the Programme

The BSc (Hons) Business Computing and Information Systems Top-up Degree is delivered online by NCC Education, validated and awarded by the University of Central Lancashire (abbreviated UCLan).

This programme equips students with a blend of technical IT skills and business expertise which prepares them for careers in senior management roles. The programme modules are designed to provide students with the fundamental skills and knowledge required by employers in the IT sector.

Upon successful completion of the degree, students are invited to attend their graduation ceremony at Preston Guild Hall in the UK.

Study Mode: eLearning
