## About OTHM Qualifications

**OTHM** is a UK based Awarding Organisation regulated by Ofqual (Office of the Qualifications and Examinations Regulation) and recognised by Qualifications Wales. They have a wide global network of delivery centres to deliver wide range of management and leadership qualifications and programmes in a wide variety of industries and sectors.

## About London Graduate School

**London Graduate School** is a provider of degree and master top-up programmes all of which are awarded by BRITISH UNIVERSITIES. The top-up programmes are designed to make British education available and affordable to learners globally.

## About the Programme

Our BA (Hons) in Business Management programme equips students with the expertise to understand the changing world of business on a national and global scale. Those who are successful in achieving this degree are highly sought after by employers for their in-depth knowledge of current business practice and for their ability to analyse business challenges and explore solutions.

In combination with the experience gained through studying OTHM Level 4 & Level 5 Diploma in Business Management, this programme aims to provide a coherent, broad based programme of study of business organisations and their management within the context of a changing external environment. It's a fast track to new opportunities and enhanced career prospects for working adults.

Study Mode: Part-time
