★ Ranked 3rd in The Guardian University Teaching Satisfaction Rankings 2020

★ Top 44 in The University Impact Ranking 2020

About EduQual

EduQual is a regulated awarding body, approved by SQA-Accreditation, a globally-recognised national qualifications regulator in the UK. The qualifications are recognised by universities, professional membership bodies and many other stakeholders in the UK and beyond. Their dedicated team of professionals have many years' experience in designing, developing, delivering, and awarding qualifications. EduQual strive to be recognised as an awarding body of choice for any educator or employer who wishes to unlock the potential of their learners.

About the Programme

This programme allows students to demonstrate a range of cognitive and intellectual skills together with techniques specific to business and management, combined with relevant personal and interpersonal skills.

The overall aims of the Global MBA top-up programme are:

- To develop a broad and holistic understanding of organisations, their external and internal contexts, management and governance
- To develop an understanding of and responsiveness to change and to consider the future of organisations
- To extend students' conceptual abilities and analytical skills
- To develop a critical awareness of current issues in international business and management which is informed by leading edge research and practice in the field
- To develop a specialised understanding of appropriate techniques sufficient to allow detailed investigation into relevant strategic business and management issues
- To acquire insights into personal competence and develop a range of personal and professional skills.
